TOUR #1 • 3 HOURS SOUTH BEACH AND CITY TOUR

In this overview of the hot spots of Miami Dade County, we will view the past, present and the future when we visit the majestic Biltmore Hotel in Coral Gables, glimpse Vizcaya and Coconut Grove. Then we will travel along the path of the early settlers, who lived and built one of the most extraordinary cities of the South.

Included is South Beach, the Art Deco capital of the United States with 800 vibrant examples of an exciting era, making it the destination of choice.

Fashion shoots and films are a daily occurrence throughout the city. Models, vintage cars, Harleys, and roller bladers of all ages whizz past tourists who are relaxing and people-watching from one of Ocean Drive's many outdoor cafes.

By night, the clubs, streets and cafes... SIZZLE!!!!

TOUR #2 • 4 HOURS THE EVERGLADES

The Everglades is an amazing "River of Grass" created by nature to purify our water supply and compliment our environment. You will see a rare collection of magnificent birds, reptiles, and flora and fauna above and below the water in its own habitat.

We will explore a small portion of its vast 1.5 million acres of the slowest moving body of water in the world.

Airboat ride and admission included in this peaceful journey.

TOUR #3 • 4 HOURS VIZCAYA AND COCONUT GROVE

We will cross historic bridges, Brickell Avenue, the financial pulse of Miami and once the street of mansions.

At Vizcaya, you have the opportunity to see the incredible collection of art, sculpture, landscaping, and period architecture in a lifestyle you could only imagine until now. The bay side of the mansion is as famous as the tv series of Miami Vice, having been used many times throughout the show.

After your tour of the villa and gardens, we will transport you further south into the charming, once Bahamian village of Coconut Grove. Relive the history of the Grove when it was a sleepy fishing village catering to the rich and famous and avante garde. You will be free to lunch, shop, or just walk the village on your own.

TOUR #4 • 4 HOURS ART DECO WALKING TOUR

Your tour guide will take you on a walking excursion of Ocean Drive exploring the tropical beauty and history of the area and its influence on the establishment of South Beach.

Hear the stories of the Collins family, influenced by the entrepreneur Carl Fisher, who created a citrus plantation, then sold out to Parisian architects creating a world of glamour that the mob ruled, the military controlled during World War II, and the rich and famous lived in through to the present day.

Later, delight in the delicacies of Ocean Drive's famous restaurants with its funky atmosphere. People-watch for celebrities.

FAIRCHILD GARDENS AND OTHER DESTINATIONS WITH A MINIMUM OF 5 PEOPLE IN THE GROUP.

Individuals on bus/van tours available only from Miami Beach or downtown hotels.

Private car tours available from any pickup point.
